## The Three Steps in the Way of Fun

### "Have Fun Make Fun Be Fun"

#### Step One

Having Fun is the first step in the journey on your way of Fun. Before you can even begin to understand the blessings of Fun, you must have some.  
When was the last time you had any Fun?

#### About The Baba

Baba Bar Ran is a master practitioner of Wu Wei, the ancient philosophy of arriving at enlightenment through doing nothing.

In exchange for minimal living necessities, The Baba will occasionally answer a question.

His answers are always short and contain the pure essence of an idea. This "seed", when planted in fertile minds, brings forth wonderful fruits that nourish the soul.

This series of pamphlets is an attempt to share with others the inspiring, life enhancing, wisdom of Baba Bar Ran.

**The Universal Church O' Fun** is for everyone, anywhere, of any religion, or of none.

**PURPOSE:** For Fun.

The Universal Church seeks to spread Fun throughout the world and to encourage others to make Fun of their lives.

**LOCATION:** The **Spiral O' Fun** is regenerated from the Tower of Faith and Fun Hole, which are located in our amusement park in Portland, Oregon, USA.  
The Universal Church O' Fun exists wherever Fun exists.

**MEMBERSHIP:** Open to all who put their faith in Fun.

#### Step two

Making Fun is a small step for us to make, but it's a quantum leap in the joy of the experience for human kind.

When others can share in our Fun, it is multiplied countless times.

To make Fun where once there was none is a noble act of love, a generous gift of the most sacred of experiences.

However, if we are to know the true way of Fun, we cannot be content to stop with altruism.

**Please note:** Making Fun at others' expense is not truly making Fun. It is merely taking someone else's Fun and having it for one's self.

#### Step three

When we achieve oneness with Fun, we no longer need to have Fun or make Fun.

Instead of doing things for Fun, everything we do is Fun. All becomes Fun naturally, without effort.

Do not become discouraged in aspiring to be one with Fun. At first, the experience will be fleeting. Perhaps coming unexpectedly while making Fun.

With faithful practice, we are able to hold on to the feeling longer and longer. We become Fun for hours...then for a whole day. In time, our entire lives can become Fun.  
And Fun will become us.
